MEMORANDUM FOR: Acting Deputy Director for Intelligence

SUBJECT: Placement of an NPIC Instructor at the Defense PI School, Offutt Air Force Base

REFERENCE: Memo to DDI, from Executive Director, NPIC, dated 28 April 1970, Subject: Placing NPIC Officer on Faculty of Offutt PI School (NPIC/D-136-70)

1. In April, following two disciplinary incidents involving NPIC students, I advanced an idea to you concerning the placement of an NPIC officer on the staff of the Offutt School. After studying the matter, I have concluded that the benefits of having our own man in place are attractive, but the investment that we would have to make to accomplish and sustain this is greater than the value of doing so, for the Center and for the Offutt School.

2. Instead, I am offering [redacted], the Commanding Officer of the School, the following possibilities:

a. Short DBY visits by NPIC guest instructors as schedule and funds permit.

b. Instruction at the Center for any of the school staff that [redacted] may wish to send here to become more familiar with a special field.

3. I remain concerned that our young trainees are so far removed from us during a lengthy training period, and will continue to seek ways to make this less of a problem.
